# FOREWORD

Each member of the class of '64, as an individual and the class as a whole, has experienced progression. The yearbook is a photographic record of this progress made as individuals and as a school. One of the most obvious of these experiences was our transfer at mid-year to the new Junior-Senior High School.

"Progress, therefore, is not an accident, but a necessity. . . . It is a part of nature."

Herbert Spencer

Progression according to Webster "is the action of moving forward or of progressing. In mathematics, a series that has a first but no last element, especially one in which any intermediate element is related by a uniform law to the other elements. In an arithmetical progression, the elements 1, 3, 5, 7, and so forth progress by a constant difference of 2 or 2, 6, 18, 54 by a constant factor of 3." Education is a moving forward, a progression.

Young people are constantly subjected to more facts and new concepts in the arts and sciences because of daily new developments in the various fields. It therefore becomes more important for all who are capable, to become better educated, either in a professional or technical vocation. Automation in factories, in electronic computing, and in data filing devices in commerce, points up the need for technical vocational schools to train technicians in the operation and repair of such machinery.

Education is moving forward, progressing by increasing the number and scope of technical vocational schools in the suburban areas and soon will extend to rural communities. Two year Community Colleges will continue to increase in number to the extent that every high school graduate capable of advanced education will have such an institution available to him within reasonable commuting distance from his home and at a reasonable cost. This will make it possible for many to obtain a better education than they would otherwise because of financial hardships brought on when attending an institution of higher learning not within commuting distance from home.

Ours has been a nation of opportunity for those who sought opportunity. Our Nation is still a nation of opportunity, a nation moving forward, progressing. You must progress educationally in order to compete as a good citizen morally, spiritually and intellectually.

## GENESEE-ORLEANS COUNTY CHAMPIONS

With seven Seniors on the starting eleven the coaches thought perhaps they could do well in the league. The team, however, seemed to have a more positive attitude. Every athlete worked with a determined pride.

Opening with easy victories over Arcade, Oakfield, and Lyndonville, the team effort on offense and defense was superb. The Alexander and Elba games were real tests, with both teams fighting tooth and nail. The Dragons proved their claim to the championship winning the games as time ran out.

The last game of the season, facing the Wyoming County Champs, Attica, found both teams undefeated. The Dragons with explosive ground plays and superb passing proved too much for the Attica Blue Devils.

Football fans sometimes miss the most important part of the game. Only eleven men can play in the game, but five days a week, rain or shine, the 1963 G-O Champs were a team of thirty-five men. Every day thirty-five men were on the field. Every day thirty-five men worked hard. They are all champions.

ROW I -- T. Steinberg, B. Fisher, J. Bolas, C. O'Connell, K. Lenhard, O. Bas. III, A. Mruczek. ROW II -- Coach Wetzel, D. Dibble, D. Wilson, D. Salmon, D. Stone, R. Worthington, J. Gerrard.

We started the 1963-64 season with a new coach and high hopes for the future. We were asked to give our best, and this we did, in each and every game, but as often happens, our best was not as good as that of the opposition.

The 4-won, 9-lost record is not one to be proud of. To say it is would be a great error, but to say that it represents a true effort on the part of each and every member of our team to adapt to new ways and new methods, giving our best to these ways and efforts, is giving credit where it is due. This we all can be proud of.

The highlights of our season were in defeating Byron-Bergen and Alexander both times we met, accomplishing the last win over Alexander in the last three minutes with good defense and solid teamwork.

Team honors in scoring went to Dale Wilson, Ralph Worthington, and Dick Dibble.

ROW I: B. Sweet, D. Dibble, A. McFollins, A. Sawyer, R. Funke, M. Perry, J. N. H. S. Swanson, S. Wittman, D. Bradman, F. Millman, D. Ranley, C. Hale, R. Worthington. ROW II: Mr. Ellithorpe, R. Peterson, J. Bolas, J. Lega, A. Starkweather.

Starting the season with an inexperienced squad, though many were sophomores, it was felt that a good season was possible with much hard work. Failing to jell as a unit early in the season meant losing a few games, but a strong finish rewarded us with a creditable 7-6 season.

With Doug Dibble, Buddy Wittman, Dave Bradman and Floyd Millman contributing experience and hustle, and Freshmen Dick Funke and Alan McFollins adding spirit and desire, made an interesting season. The Varsity should be helped by these boys in the the near future.

The Cross-Country team was undefeated in dual meets, the fourth in the Alfred-Almond Invitational and third in the Tri-County meet at Terry Hills. A well balanced, determined team won the Sectional Trophy at St. John's College in Rochester for the second time in the last three years. Frank Ball was the Section V individual winner for the third year in a row. Prospects look good for a strong team in 1964-65 season.

# VARSITY BASEBALL

ROW 1, SEATED: JAMES D. WILSON, J. STAEHELL, PAVEL F. LECH, D. STONE, B. ALEXANDER, R. POERSCHKE. MISSING: J. STAEHELL, C. O'CONNELL.

"The 1963 edition of the Baseball Dragons compiled a so-so won 6, -- lost 6 record and finished in third place in the League, behind Holley and Oakfield. An absence of timely hitting coupled with a lack of steady pitching proved to be too tough a handicap to overcome for a winning season. Injuries and an unwillingness to work hard by key personnel also were major factors.

A win over Oakfield early in the season aroused high hopes but disappointing performances against less highly rated teams soon gave an indication of things to come. A predominance of Juniors on the squad, however, caused most of us to eagerly anticipate the coming of the next baseball season."

# HONOR HOCKEY

The Honor Team was again undefeated with wins over Batavia, Akron, Oakfield, Alexander, and Pavilion to win the Tri-County Trophy. The Second Honor Team also had a good record, with four wins and only one loss. Sharon Roshea, Jeanne Dahlgren, Thelma Mattice, and Judy Green were named to the All-Star team at the Finger Lakes Field Hockey Sports-day.

ROW I -- A. Brady, L. McFollins, P. Worthington, J. Bruner, S. Roshea. ROW II -- T. Mattice, J. Dahlgren, N. Beideck, J. Warner, J. Harrington. ROW III -- S. Brocki, S. McGee, J. Harrington, J. Green, J. Van Duzer, Miss Jacek.

# HONOR BASKETBALL

ROW I -- J. Warner, S. Roshea, N. Beideck, J. Green, T. Mattice. ROW II -- Miss Jacek, L. Van Duzer, W. Warren, S. Brocki.

The girls' basketball teams made good showings this year, despite their losses. The first team defeated Oakfield and lost heartbreakers to Batavia, Akron, Alexander and Elba. The second team had two wins, beating Oakfield and Akron. The second team did a fine job and should be ready and able to fill the gaps on the First Honor Team which have been left open by the hard-playing Seniors.

## CLASS HISTORY

As we depart from Pembroke our class takes with it dual memories of the old and the new school. Being the first to graduate from Pembroke Central we can look back over many "firsts" in our high school days.

We became the first combined Freshman class of both Cortu and East Pembroke and started dance sessions. The following officers were elected for the year: President, Alvin Lutz; Vice President, Larry Lisom; Secretary, Carole Morrow; Treasurer, Ronnie Kimmell. Our project for the year was the Freshman-Sophomore Round & Square Dance.

The following fall as Sophomores we elected as officers: President, Jeep Staebell; Vice President, Elynn Strzelec; Secretary, Ronnie Kimmell; Treasurer, Tom Sprague. That spring we joined the Freshmen in sponsoring the annual Freshman-Sophomore Round & Square Dance.

As Juniors and now upperclassmen our activities increased. That year we held the Junior-Senior Round & Square Dance and a sweatshirt sale both contributing to our treasury. We became the first class to order their rings in the spring for delivery early in our Senior year. Our year drew to a close with the presentation of the Junior-Senior Prom at Moon River. The year's activities were led by: President, Tom Steinberg; Vice President, Elynn Strzelec; Secretary, Linda Van Duzer; Treasurer, Jim Bolas. Now the days of our final year of high school are fleeing by. It has been a year of learning, fun and confusion. We begin our year's activities with the Senior Round & Square Dance. Our major project for the year was the annual magazine campaign which was quite profitable. The class presented the English comedy "The Admirable Chrichton" in November under the direction of Mr. Anzalone. This year also saw the transfer to the new Pembroke Junior-Senior High School and the organization of the Student Council. Many of our classmates are the first to wear the new Pembroke Senior rings. Spring brought the Junior-Senior Prom, "Appleblossom Time." Then our thoughts turned to our graduation.

As we pass from our high school days into the future we all carry with us lasting memories. We have the memory of Cortu and of Pembroke. We have the memory of many activities, teachers, and friendships. The experiences of school will always be with each one of us.

# A.F.S. FOREIGN EXCHANGE STUDENT

FOR THE YEARBOOK 1964 . . .

"Your home is where your heart is. This proverb makes me a little thoughtful. For my heart is certainly divided.

A few mountainous islands in North Norway was all my world a year ago. With the whole summer as one bright, beautiful day and the winter as a long, dark, peaceful night, the life goes on at my home in the Arctic -- I love it!

On the opposite side of the globe, in the friendly, busy community of Corbu, I find the way of living a little different. Social activities, highway traveling, I.V., crazy basketball yelling besides the daily work here keep the people busy -- and I love that too.

Thank you all for the wonderful year we have had together, for the friendliness, help and understanding you have given me.

And welcome to Norway! Anybody, whether I have known you closely or not, my home in Norway will always be open for you. I am sure you will like it. I have realized -- as you will discover when coming together, that in spite of manners, language and other outside things, people are alike all over the world.

I believe in this little verse'

"Walk together, talk together  
Ye, the people of the earth,  
Then, and only then,  
Shall there be peace . . .
